UW HUMAN RESOURCES - LABOR RELATIONS

Dear postdoctoral scholars,

The implementation date for postdoctoral scholar changes due to the new [labor contract](#) has been pushed from September 25 to October 10. This date change is taking place in order to ensure the successful conversion to postdoctoral titles, pay and time offs in Workday. While the implementation date has changed, the effective date has not changed and remains August 1.

Thank you for your patience as we work through this conversion. If you have questions, please contact laborrel@uw.edu.

Thank you,
Labor Relations
